## I. SOLICITATION

The Council of Athabascan Tribal Governments (CATG) is requesting proposals from qualified Contractors to provide labor, materials, and equipment to construct one, three-bedroom home in Beaver, AK. Questions shall be emailed to [Nadine Carroll at Nadine.carroll@catg.org](mailto:Nadine.carroll@catg.org). Proposals are required to be provided no later than **5:00 PM, April 28, 2025**, and must be emailed to [Nadine.carroll@catg.org](mailto:Nadine.carroll@catg.org).

Bidders must be licensed and bonded in the State of Alaska, have a valid Alaska Business License and current, valid Contractor's License and Residential Endorsement. All licenses submitted must reflect the NAICS code designated for construction. All bidders must be able to provide proof of qualification and necessary documentation requested by CATG, within the time requested. All subcontractors are to meet the same requirements. CATG reserves the right to accept or reject any and all bids.

## II. SCOPE OF WORK

Provide labor, materials, and equipment to perform all construction duties to meet the requirements of the Project Scope and any other items as shown on the Construction Plans attached to this RFP. The construction documents attached to this RFP are the construction plans for the housing package from Spenard Builders Supply. Each bidder shall thoroughly examine the work area and be familiar with the contract documents. The failure or neglect of a bidder to receive or examine any contract document or any part thereof shall in no way relieve it from any obligations with respect to its quote or to the contract. No claim for additional compensation shall be allowed which is based upon a lack of knowledge of any contract document.

## III. WORK CONSIDERATIONS/RESTRICTIONS:

- a. **Work Location:** Contractor will be responsible for all travel and lodging at project site.
- b. **Coordination Meetings:** A kick-off meeting shall be scheduled and conducted by the Contractor prior to the start of the work to discuss the project schedule, submittals, etc., to assure a mutual understanding of the work between the Contractor and the Owner. Construction coordination meetings to be held as needed with Subcontractors and CATG (time and place to be determined). The contractor shall provide progress updates weekly, at a minimum.

## IV. SCHEDULE

The anticipated project schedule is as follows:

|                                                 |                   |
|-------------------------------------------------|-------------------|
| Deadline for Proposals                          | April 28, 2025    |
| Issue of Intent to Award (NOITA)                | May 09, 2025      |
| Execute Construction Contract/Notice to Proceed | May 16, 2025      |
| Construction Completion                         | December 31, 2025 |

All dates are approximate and contingent upon the completion of previous activities. Contractor shall submit a work schedule for approval, prior to the start of the work.

**V. Proposal Evaluation**

The Bid Form will be used to evaluate each bidder. CATG will evaluate bids and select the lowest qualified bidder. Lowest qualified bidder is defined as lowest price bid submitted and supported with evidence they meet minimum contractor requirements. CATG reserves the right to not award any bids, award only certain portion(s) of the scope, or award the full scope of work. The project will be awarded to one Contractor.

**VI. AN/AI (ALASKA NATIVE OR AMERICAN INDIAN) REQUIREMENTS**

- a. The Contractor and its subcontractors are required to employ AN/AI workers in sufficient numbers to equal, at a minimum, 25% of the firm's workforce for this project.
- b. CATG recognizes that not all contractor and subcontractor firms will be able to comply with the 25% AN/AI hire requirement. In this case, the contractor will be required to demonstrate an effort of good faith.

**VII. APPENDICES**

- a. SBS Construction plans
